Good Girl's Don't Die, p. 121 – 130

1. What time at night does Allie wake up and who does she share the room with?
2. What - **according to Allie's perception** - is wrong with the location of the cabin and what is her plan for the next day?
3. "She knew that the noise outside the cabin was not benign".
What is the meaning of 'benign'?
4. Why do Allie and Madison try to prevent Steve from investigating the strange noises outside the cabin?
 5. What does Steve do instead?
 6. What happened to Brad's car?
