**Good Girls Don't Die**, p. 220 - 234 (end chapter 2)

1. When numbers 2, 4, 9 and 10 separate from the rest of the group after the argument about the snacks and the water, Maggie (#3) and Sanya (#6) find themselves in a team with numbers 1, 5 and 7. What are the names of the latter three, and what do we learn about #5?
2. Which of these women threaten to delay the group's operations and progress in the Maze and why?
3. What is the first obstacle that Maggie and her team encounter?
4. We learn that Beth is scared to death by spiders, but Maggie is not. What is it that Maggie is afraid of?
5. Why does #2 believe that it is relevant to complete the Maze as the first of the nine women?
6. How does Roni die?
