Good Girls Don't Die, p. 265 - 279 (chapter 5)

1. "Maggie realised she's been woolgathering". What does it mean?
 2. How does one complete the sixth obstacle with the bell and why are there only five such obstacles?
 3. What happens when Natalie rings the bell?
 4. What kind of creatures are in the pond?
5. What other obstacles do the women encounter after Natalie's death?
 6. Which women are left to complete the Maze at this point?
7. What is the next obstacle like where they meet numbers 2 and 10?
 8. What suspicions does Maggie have about Beth, and why?
And is she right?
