Compound Adjectives

1. Fill in the blank

Fill in the blanks with an appropriate compound adjective from the list below:

(*high-pitched, part-time, open-minded, world famous, cold-hearted*)

1. She has a very _____ voice that you can hear from across the room.
2. He's very _____ and willing to consider new ideas.
3. That is a _____ restaurant known for its unique cuisine.
4. She only works as a _____ employee.
5. The villain in the story is portrayed as a _____ character.

2. Choose the correct compound adjective

Choose the correct compound adjective to complete each sentence.

6. She wore a (well-dressed / brightly-coloured) dress to the party.
7. The car is (high-powered / low-maintenance) and needs little upkeep.
8. I found a (time-consuming / heart breaking) project that will take hours to finish.
9. That movie has a (fast-paced / fast-food) plot with lots of action scenes.
10. The teacher assigned (last-minute / all-inclusive) homework just before the holiday.

3. Correct the compound adjectives

Some of the following sentences contain errors in the compound adjectives. Correct the errors where necessary.

11. They lived in a ten-story-building.
12. The soup was mouth-watering.
13. He's a self motivated individual.
14. I need to buy a high quality computer.
15. It's a very family-friendly-restaurant.

4: Choose the right compound adjective

Select the best compound adjective to complete the sentence. Each adjective can only be used once.

(*broken-hearted, well-dressed, part-time, child-friendly, widely-read*)

16. The restaurant has a _____ menu and toys for young customers.
17. That _____ author has written books on many different subjects.
