New literature

A group of women friends are on their way for a week of hiking and wellness at a luxurious hotel in the woods. When their car breaks they get lost in the wilderness - with no cell reception.

As they venture deeper into the woods, the members of their party are struck down mysteriously - one by one.

Note: The Thalia bookshop in Bonn only has a limited number of copies of the book in stock and therefore suggests a collective order. I could do this, provided you would reimburse me the cost either by bank transfer or Paypal.
