

Troublesome Translations

For native German speakers, finding the right translation, from German to English, or vice versa, can sometimes be a challenge. Here are some examples to help you figure out how to say it. And to make sure you keep yourself out of trouble.

wirken

The German *wirken* can mean several different things in English, such as to look/appear/seem (He appears to be confused), come across as or to act as/operate/work or to be effective/to affect (It acts as a painkiller/How did it affect you?).

Use the exercises below to test your own knowledge.

1. Sie wirkt jünger, als sie ist.

She _____ younger than she really is.

2. Wie lange dauert es, bevor das Medikament wirkt?

How long before the medication is _____?
