Transport preferences  
- discussion in free language -

1. What kind of car do you drive. What made you decide in favour of this car?
2. What other means of transport do you normally/occasionally use?
3. Based on which considerations do you decide which transport means to **use (economy, speed, fun...)?**
4. Which transport means did you use to get to your English class today?  
Give reason for your selection.
5. Have you ever considered buying an electrically driven car?  
What are the pros and cons?
6. Where will you spend your next holiday  
and what transport option will you use to get there?
7. Do you have a favourite means of transport?  
What is it?
