Songtext „San Francisco“ (Scott McKenzie, 1967)

setze ein:

vibration, streets, people, explanation, flowers, nation

If you`re going to San Francisco
be sure to wear some (1) flowers in your hair.

If you`re going to San Francisco
you're gonna meet some gentle (2) gentle there.

For those who come to San Francisco
summertime will be a loving there.

In the (3) streets of San Francisco
gentle people with flowers in their hair.

All across the (4) nation
such a strange (5) vibration, people in motion.
There's a whole generation with a new (6) explanation.

People in motion, people in motion.

For those who come to San Francisco
Be sure to wear some flowers in your hair.

If you come to San Francisco
Summertime will be a loving there.

If you come to San Francisco
Summertime will be a loving there.
