The Tenant, chapters 18, 19, 20 (p. 98 - 113)

1. Why does Blake believe that he might have a chance for a permanent job in his new company after all?
2. But why is it not likely this perspective may become true?
3. What does Krista discover on Blake's shirt and what does Blake suspect the reason for that is/was? Do you think he is right?
4. How do they solve Blake's problem with the rash?
5. On his way home, when Malcolm calls him on the phone, Blake passes a Chinese restaurant "that has excellent dim sum". What is dim sum?
6. What surprising remark does Whitney make when Blake returns home?
