**The Tenant**, chapters 21, 22, 23, (p. 114 - 127)

1. In what way does Blake try to find out more about Whitney and why is he surprised at the result? What conclusion could one draw based on Blake's research?
2. What is the reason for all those fruit flies in Blake's and Krista's kitchen?
3. Who does Blake suspect placed the paper bag in the cabinet and what decision does he take?
4. How did Whitney react to that?
5. What is Cooper's and what does the interior of the place look like?
6. "They caught him (Chad Pickering) doing lines in the men's room", Malcolm reports. What does it mean?
