

Possible extension of our English course

It is possible to extend our course based on the assumption that all registrants agree to the conditions.

In the scope of an extension a new course would have to be offered due to administrative requirements.

The new course would be designated 261-40681Z starting on 28 April and covering 3 or 4 additional teaching units. Like for the current course the registration fee will be €15/teaching unit:

3 teaching units (28 April, 05 and 12 May): €45;

4 teaching units (+ 19 May): €60.

If you accept the conditions, you will be sent an email with a registration link to click on. No separate registration procedure required.

Please decide by next week.
