The Cult, p. 47 – 51

1. Up to this point - mid of page 47 - the story was told using “quotation marks”.
Why is that?
2. At this point of the story, new characters and names appear. What is Amy’s last name, what is Mr Johnson’s first name, what is the name of the sheriff, who is Harris?
3. What does Harris report to the sheriff using his walkie-talkie?
4. What is the unexpected turn of the story when Amy awakes after falling asleep in the sheriff’s car?
5. What was Rev. Allister’s motivation to found the cult?
6. At the end of the story, Amy says to herself: “I have an idea what happened to her (Abby)”. Can you explain that?
